

# Mr. & Mrs. Chairs

*Make the new couple feel even more special in chairs designated just for them at the wedding party table.*

## You will need:

From Savers/Value Village

- Thrifted fabric in two contrasting colors that coordinate with the wedding colors
- 2 embroidery hoops (same size), often found in the craft aisle

Other supplies

- Double-sided fusible webbing (available at sewing and craft stores)
- Iron
- Scissors
- Computer and printer

## Directions:

1. Using your computer, type "Mr." and "Mrs." in your desired font and size.
2. Reverse the text and print out the mirror image.
3. Trace the mirrored image of your text on the back (paper side) of the fusible webbing.
4. Using your iron and following the manufacturer directions, fuse the webbing to the back side of the fabric that will be used to form the letters.
5. When it has cooled, cut around the tracing.
6. Peel the paper off the back of the letters, and place onto the right side of your background fabric.
7. Iron the letters onto your background fabric.
8. Slip fabric into the embroidery hoop and tighten.
9. Trim the excess fabric.
10. Optional: Adorn as you wish with decorations such as ribbons, flowers and secondhand trims.
11. Hang the hoops over the back of the chairs with ribbon.
