

# BUILD YOUR COSTUME

## EVE

Look like you just stepped out of the Garden of Eden with this creative Halloween look. Using secondhand clothes and fabric from Savers / Value Village, along with some creative uses for the Halloween makeup, you will be on your way to a great costume in no time!

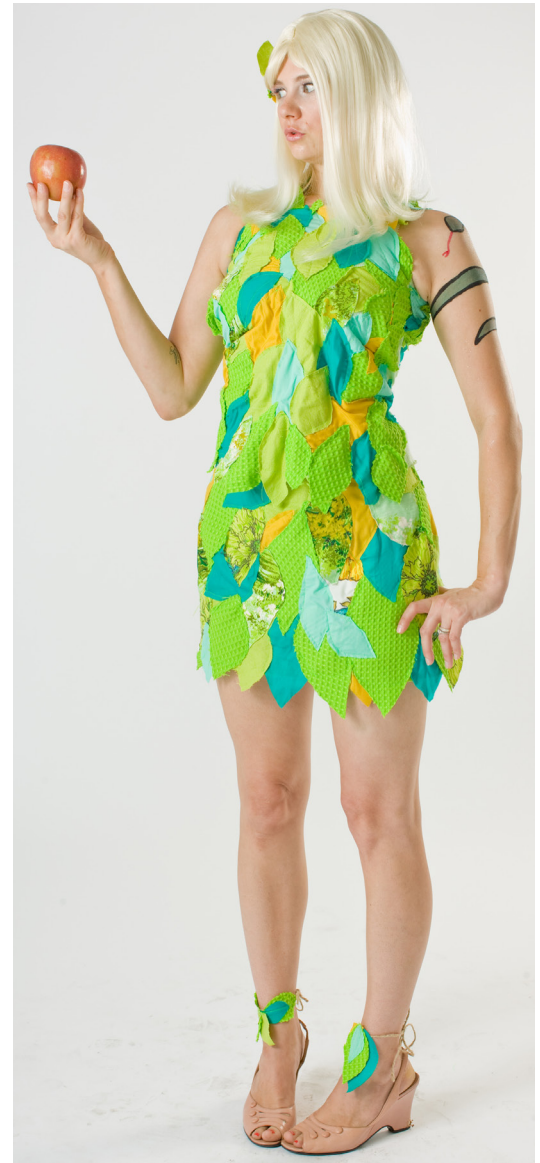

### You will need:

#### From Savers/Value Village

- Secondhand short skirt and tank top
- Green fabric (from a sheet, tablecloth or large piece of scrap fabric)
- Halloween makeup kit
- Green sparkly makeup
- Blonde wig
- Secondhand fake vines or flower stems
- Nude color shoes

#### Other supplies

- Thread and needle or sewing machine
- Twine
- Apple

### Directions:

1. Cut several leaf shapes out of the green fabric.
2. Sew the leaves to the tank top and skirt to cover in an overlapping fashion.
3. With the Halloween makeup kit, draw a snake going up your arm as pictured.
4. Then add green sparkly makeup to color in the snake.
5. Tie the fake vines or flower stems into the blonde wig using the twine to create a "wild" look.
6. Hot glue leaves or twigs to twine and tie around wrists and ankles.
7. Top off your look with the wig and don't forget to carry a tempting apple!
